The academic calendar for academic session 2015-16 was planned well in advance in month of May 2015. The plan includes strategies to be followed for realizing the full potential of the trainee teachers and equip them with necessary teaching skills to be better teachers.

Break-up of the working days-

Session	Admission	Pre-Practice preparation days	Internship	Seminars & co-scholastic activities	Internal Exam	University Exam	Actual Teaching days	Total working days
2015-16	2 Week	1 Week	4 Week	10 days	14 days	10 days	150 days	233 days

The session begins from Aug 2015 with orientation Programme where trainee's teachers are briefed about rules, regulations of the college and various activities to be carried out during the academic session.

Seminars

Seminars on various issues like Aids, Environment, and women empowerment were organized during academic session to sensitize the trainee teachers regarding various social issues concerning society. Apart from that seminars on specific objective and microteaching were conducted by teachers of the college.

Cultural Programme

Cultural programmes were organized on 15th Aug, 26th January, Bihar Diwas, College Annual Day. These programmes enable the trainee teachers to realize their full potential in co-scholastic areas.

Quiz & Competitions

In the order to ensure all-round development of the trainee teachers Quiz, debates, Painting competitions were organized and prizes and certificates were given to the winners.

Practice Teaching

Trainee teachers were given orientation on micro- teaching practice for one-week. Then they were sent to the different schools for one month for practice teaching. Classes were supervised by our own college teachers as well as teachers of those respective schools.

Educational Tour

Educational tour is part and parcel of academic life of B.Ed. Trainees. Trainees teachers visits historical, religious sites. This enables them to appreciate the rich cultural heritage of our country. This year trainees visited Sarnath Temple, Varanasi.

ICT Learning and spoken English

College has well equipped computer lab. Knowledge of IT enables the trainee's teachers to access and use the vast sources of knowledge. Spoken English classes are organized to ensure that trainee teachers have basic knowledge of English.
